About Cassie

As Director of Asset Management for VanTrust Real Estate, Cassie optimizes value for all completed projects as well as those that are in development by protecting the interest of the owners through the effective management of real estate assets. This involves working with internal and external partners including property managers, leasing agents, construction managers, accountants, architects and various vendors. Her focus is to achieve optimal cash flow by attaining the best operating results for the asset, whether it is office, retail, multi-family, recreation, land or industrial.

Cassie has over 15 years of experience in property management and marketing, focusing specifically on regional retail projects including the Country Club Plaza and The Legends at Village West. Cassie graduated from the University of Kansas with a Bachelor of Science in Journalism. She is a member of the International Council of Shopping Centers.
