About Tracy

Tracy Mickey joined the VanTrust Jacksonville office at its inception in 2016. As the Executive Administrative Assistant, she supports all members of the Jacksonville team and is responsible for the operational activities of the office, assisting in all aspects of development projects throughout the Florida region.

With almost 20 years of experience in the real estate industry, Tracy spent the majority of her career at Flagler Development Company where she was promoted to a variety of positions in the legal, construction, development, cell tower, and brokerage divisions. Tracy's success in her career at Flagler eventually advanced her into the office manager role. Her prior legal assistance roles at the Jacksonville law firms of LeBouef Lamb Greene & MacRae LLP and Fischette, Owen, Held & McBurney laid the groundwork for her success.

In May 2016, Tracy graduated with high honors from Florida State College at Jacksonville with an Associates in Arts degree. She is also a licensed real estate agent in the State of Florida.

Outside of the office, Tracy and her husband, Leland, are the proud parents of five children. She is also active in supporting the Children's Home Society of Jacksonville, Be the Match (National Bone Marrow Registry), and the National Multiple Sclerosis Society.
