RYAN HACKENMILLER

Director, Development Services
VanTrust Real Estate, LLC
Kansas City, MO

EDUCATION

Iowa State University
Bachelor of Science in
Construction Engineering

As Director of Development Services for VanTrust, Ryan Hackenmiller works closely with the development team to ensure the successful delivery of projects throughout a variety of product types.

PROFESSIONAL AFFILIATIONS

LEED Accredited Professional
Design-Build Institute of America

Prior to joining VanTrust, Ryan worked as project management lead at an integrated design-build construction company where he was responsible for managing design teams, budgets, schedules, and overall project execution with the specific goals of each unique client in mind. In addition to clients, he also assisted both in-house and third-party development teams with preliminary site review, due diligence, and total project feasibility. At VanTrust, Ryan's past experiences and success demonstrate his commitment to creating working relationships that value mutual respect, promote effective collaboration, and safeguard the success of each project goal.
