Gateway 1000

Gateway 1000 is a ±1,022,000-square-foot industrial-zoned speculative project located on the corner of Paul Garrett Avenue and International Drive in the Louisville, Kentucky MSA. The property offers a 50 percent, 10-year tax abatement. The building will include 100 dock-high doors, 4 drive-in doors and a clear height of 40 feet throughout the warehouse.
